

# FYP Logbook Entry Sheet

**Meeting No: 06**

**Date: 2024-12-15**

**Start Time: 10:00 am**

**End Time: 12 pm**

## **Items Discussed:**

1. Start the development of project wireframe.
2. Complete all UML diagrams and solve the issue in Sequence diagram.

## **Achievements:**

The development of the project wireframe was started, and all UML diagrams were completed. The issue in the sequence diagram was identified and resolved successfully.

## **Problems:**

Difficulties were faced while ensuring consistency across UML diagrams. Additional time was required to correct the logical flow in the sequence diagram.

## **Tasks for Next Meeting:**

- Detailed review and discussion of the project wireframe.
- Progress update on initial project development.
- Review of completed UML diagrams and feedback from supervisors.
