

FYP Logbook Entry Sheet

Meeting No: 16

Date: 2025-04-13

Start Time: 10:00 am

End Time: 12:00 pm

Items Discussed:

1. Finalize map visualization for outgoing traffic with accurate geolocation.
2. Continue working on and completing the FYP final documentation.
3. Test overall system for data consistency and prepare for final presentation/demo.

Achievements:

The map visualization for outgoing traffic was finalized with accurate geolocation. Progress was made on completing the FYP final documentation. The overall system was tested for data consistency.

Problems:

Minor issues were encountered during geolocation mapping and data accuracy checks. Additional effort was required to ensure consistency in documentation and system outputs during testing.

Tasks for Next Meeting:

1. Final document
2. Bug fixes
3. Post survey form
