

FYP Logbook Entry Sheet

Meeting No: 07

Date: 2024-12-22

Start Time: 10:00 am

End Time: 12:00 pm

Items Discussed:

- Detailed review and discussion of the project wireframe.
- Progress update on initial project development.
- Review of completed UML diagrams and feedback from supervisors.

Achievements:

Both internal and external supervisors verified all UML diagrams and confirmed they are correctly completed and meet the project guidelines. The full project wireframe has also been completed, and the development phase of the project has officially started and is currently in progress.

Problems:

None reported during this meeting.

Tasks for Next Meeting:

1. Begin development of the Precap Reader module.
2. Continue working on ongoing project development tasks.
