

# FYP Logbook Entry Sheet

**Meeting No: 09**

**Date: 2025-01-05**

**Start Time: 10:00 am**

**End Time: 12:00 pm**

## **Items Discussed:**

1. Begin development of the Precap Reader module.
2. Continue working on ongoing project development tasks.

## **Achievements:**

The development of the Precap Reader module was initiated successfully. Progress was made on ongoing project tasks, and key components were implemented as planned.

## **Problems:**

Minor delays were encountered due to integration issues and unexpected bugs. Some adjustments were required to align the new module with existing components.

## **Tasks for the Next Meeting:**

- Discussion on the implementation of the user authentication system.
- Reviewed the current progress and planned next steps for system security
